COMFORT FOOD  
DONE RIGHT

# Nono's

## WHERE IT ALL BEGAN

It began with a slice of cake. Chef Baba Ibazeta-Benedicto has built a loyal following over the years for her delicious, classic desserts at the successful Classic Confections. One of her most famous concoctions is Nono's Chocolate Oblivion, named after her father. Baba is excited by her latest venture, Nono's, where she gets to explore her passion for delicious comfort food.

One of Nono's bestsellers is our Homestyle Fried Chicken, a longtime favorite of our guests. We're taking this trademark dish to another level with our new Chicken and Waffles, which adds our fresh, house-made waffles to our much-loved crispy chicken fillet and giving it the Nono's touch, resulting in our unique take on the classic comfort food combination.

“Nono's is a personal journey into my childhood and home. As I began to dream of a restaurant and what type of food I would want to serve, I was deeply drawn to, and inspired by, my favorite home-cooked childhood meals and snacks.

Comfort food is simple. It is heartwarming. It is nourishing. It is home. It is full of happy memories with loved ones. It is food we come back to again and again. For me, it is sharing pepitos with my lolo for merienda, gathering around the table for a hearty breakfast with my family, or savoring hot, cheesy mac 'n cheese on a rainy day.”

*Welcome to Nono's!  
I hope you enjoy the journey!
